

Wyoming Wheat Growers
Conference Call Minutes
December 22, 2016

A conference call meeting was held to discuss a letter of support to a SED candidate for the State FSA position on Thursday, December 22 at 8:30 am. Attending by telephone were: Ty Anderson, Corey Loyd, Butch Lind, Theron Anderson, Ken Tremain, Derek Jackson, and Marti Hubbs. Other attendees were Tim Anderson, Keith Kennedy and Casey Madsen.

President Ty presented the objectives of the call and asked for each board members input on who they thought we should support and why. Three candidates have applied for the SED position, Gregor Goertz, Lois VanMark and Mike Romsa. Gregor and Lois each had presented their resume by email for review. Mike Romsa asked for a verbal letter of support.

After all board members discussed their support of a candidate, President Ty asked for a vote. Gregor unanimously won the letter of Wheat Growers support. Derek Jackson and Keith Kennedy will collaborate on writing the language and send to President Ty for approval and signature. Marti will then send the letter of support to lead Senator Enzi, congressional delegation and to the Trump transition team website for consideration.

Tim Anderson commended the Board Directors for making the delicate decision as part of our elected duty. All three candidates were considered and one must be chosen.

No further business the call was adjourned.

Respectfully submitted;

Marti Hubbs
